FINANCIAL ASSISTANCE FOR BUSINESSES

U.S. Small Business Administration (SBA) will provide a number of loan resources for small businesses to utilize when operating their business.

- Economic Injury Disaster Loan (EIDL): small business owners were able to apply for a loan advance, that will not have to be repaid, of up to $10,000 designed to provide economic relief to businesses that are currently experiencing a temporary loss of revenue. SBA is currently accepting applications on a limited basis only to provide relief to U.S. agricultural businesses.

Grant also establishes a minimum allocation of 30% of total funding towards awards for women-owned, minority-owned, and/or veteran-owned businesses. The grant will not have to be repaid. Grant funds will be allocated based on number of full-time-equivalent (FTE) employees:

- Employees, 1 - 10: $10,000
- Employees, 11 - 25: $15,000
- Employees 26 - 49: $20,000
