**Financial Assistance for Businesses**

U.S. Small Business Administration (SBA) will provide a number of loan resources for small businesses to utilize when operating their business.

- **Economic Injury Disaster Loan (EIDL):** small business owners were able to apply for a loan advance, that will not have to be repaid, of up to $10,000 designed to provide economic relief to businesses that are currently experiencing a temporary loss of revenue. SBA is currently accepting applications on a limited basis only to provide relief to U.S. agricultural businesses.

- **Paycheck Protection Program (PPP):** provides a direct incentive for small businesses to keep their workers on payroll. SBA will forgive loans if all employees are kept on the payroll for eight weeks and at least 75% of the forgiven amount is used for payroll.

**SBT Debt Relief:** pays 6 months of principal, interest, and any associated fees that borrowers owe for all current (7(a), 504, and Micro-loans in regular servicing status as well as new (7(a), 504, and Micro-loans disbursed prior to September 27, 2020. This relief is not available for Paycheck Protection Program loans or Economic Injury Disaster loans. Borrowers do not need to apply for this assistance.

- **Express Bridge Loan:** allows small businesses with an existing relationship with SBA Express Lenders to quickly access up to $25,000. A small business with an urgent need for funds may qualify while waiting for EIDL decision or disbursement.

**Business Tangible Personal (TTP):** Property tax filing deadline for Prince William County has been extended from April 15 to July 15, 2020. This extension will provide relief to the County's business owners during this period of economic uncertainty and will align the filing date with the recently announced revised Internal Revenue Service filing date.

**ACTS Food Helpline:**

Action in Community through Service (ACTS) provides support to anyone experiencing food insecurity. Helpline can be reached at (703) 794-4668 for direction to the nearest food distribution site or access to emergency resources.
